

# Kool-Aid Playdough Recipe

Playdough can be used over and over, as long as it is sealed after use.

Gather these items:

2 cups flour

1/2 cup salt

3-4 packs of Kool-aid

2 cups of water

2 tablespoons of oil

4 tablespoons cream of tartar

resealable plastic bags or containers

\*food coloring can be used instead of Kool-aid

Let's get started...

1. Mix dry ingredients together. Add water and oil and cook over medium heat stirring until it forms a ball.
2. Mixture may be sticky at first, but will smooth out with kneading.
3. Store in air tight container.
