# Mother's Day Candy Flowers Pot Craft

Mother's are special  
Mother's are smart  
My mom is best  
and not like the rest

She loves to cuddle  
and holds me tight

She knows when to kiss me  
and hugs me just right

My mom is best  
not like any other  
She loves me more  
than any other mother

I have one wish  
that I am sure to pray  
that wish is ...

Happy Mother's Day!

Love,
