# BINGO Rules

Bingo Instructions:

2 or more Players and 1 Caller

1. Print Bingo Game Cards and Tokens on heavy card stock or plain paper. Use the blank Bingo card to create more Bingo cards.  
Option: Glue Bingo Game Cards on cardboard.
2. The Caller calls out a multiplication question from the list and crosses it off.
3. Players check to see if they have the multiplication answer on their Bingo Card. If they do, they place a token on the number (answer).
4. The first player to have a straight line of tokens in any direction is the winner.

Good Luck with Multiplication!
