

Goody Bag With Flap

1. Print on regular paper or card stock.
2. Following directions from page 2 cut around outline of the bag.
3. Fold along dotted lines to make 4 sides of bag.
4. Using a crafting knife, cut along thin lines (D & E) to create slits.
5. To create the bottom of the bag, fold in smaller side tabs (A & B). Then fold in both large tabs and insert triangle shape tab (C) into slit on second tab (D).
6. To close side of bag, overlap flap with black circle and glue or tape on inside of bag.
7. Fold down top triangle E and insert into slit E in the side of the bag.
