

# Card Printing Instructions

1. Open Card in Adobe Reader.
2. Insert paper. Print on stock paper for best results.
3. In Adobe, make sure to checkmark the following settings:

Pages to Print - All  
Actual Size  
Choose paper source by PDF page size  
Print on both sides of paper (flip on short edge)  
Orientation Portrait

Test with plain paper first.

4. Fold Instructions:

Cut along crop lines. Optional: fold paper in half first.  
Fold each card in half.  
Write something special inside and sign.

Add stickers to personalize.
