

Paper Roll Megaphone Craft

Paper Roll Megaphone Craft

Paper Roll Megaphone Craft

1. Print on heavy paper, colored construction paper or card stock.
2. Print out the megaphone twice.
3. Color the megaphone printouts.
4. Glue both ends around a toilet paper tube. End of tube should be open to place mouth.
5. Glue 3 buttons or beads on top so kids can place their fingers to play.
