Paper Roll Megaphone Craft

1. Print on heavy paper or card stock.
2. Print out both megaphones for each side of the paper tube.
3. Color or tape a piece of yellow paper around the toilet paper tube.
4. Glue both ends of the megaphones around the toilet paper tube. End of tube should be where you glue the mouthpiece of the megaphone to place mouth. Make sure you wrap it around the tube.
5. Continue to tape or glue the megaphone pieces together leaving the wide end of the megaphone open.
6. Glue 3 buttons or beads on top so kids can place their fingers to play
7. Now have a blast and celebrate on New Year's!
